Visions of ice cutting, enjoyed by lo-cal ice dealers Thursday, faded Friday when rain poured down all day and late any, and cold weather during the next few days would make it possible to start harvesting the crop. March 1st marks the end of the ice harvesting season and ne time between today and that time ice must be gathered. The four icethe ice must be gathered. The four ice-cutting locations, however, show ice of good thickness. Ice at the pumping sta-tion at Mansfield, at Eaton's Cove, in Mansfield, and at Ayer's and Ives' Coves, ranges from seven to nise inches. Ice was cut at Ives' cove recently and some Willimantic families used it Friday. One thing looked forward to by the ice deal-are in the learned cost of hexpecting the less the less each cost of harvesting their crop, as wages this year will be lower than the \$4 to \$5 paid last winter. The water committee who made the contract for the sale of last winter's ice crop to L. W. Ives for \$1.50 a ton waighed at the number of the crop. weighed at the pumping station, gave Mr. Ives the same proposition for this year, which was accepted. Just as soon as the has been overhauled and everything is in first class shape. The ice now stored at the umincipal plant fills and and one-half houses and will last for several weeks. That the municipal ice proposition has been a paying one has been admitted by those who have followed the figures of returns during the past two years. Two years ago the city made a profit of \$5,000 from the crop and last year, after expenses of \$8,103.91, the books showed a balance of \$496.09 on hand and 2,500 tons of ice remained in the ice houses

ANNOUNCEMENTS HOURLY NURSING SERVICE

THROUGH UNITED WORKERS

Community service of any sort should have for its ruling motive a sincere de sire to meet the needs of all the varies elements that make up the life of a com munity. It is in this spirit that the public health nursing department of the United Workers enlarges its work to include what is known as "hourly nurs

It may be well to explain just what I meant by hourly nursing service as it is distinguished from the ordinary nursing visits of the public health nurse. Hourly nursing is designed to meet the need of those persons not able or not desiring to have a graduate nurse resident in the house. It often happens that skilled care is required for the sick when the full time of a nurse is not needed. In these It often happens that a family, able and willing to pay for the full time of a nurse, cannot procure one. Or a family may desire a private nurse, and yet in a small house or apartment have no room to accommodate an additional person. It is to meet these conditions that hourly nursing is offered, by which a nurse from the public health nursing staff may be secured to serve under the direction of a doctor, at a charge of one dollar for the first hour and seventy-five cents for each additional hour or fraction of an

preparations for the operation, assist th physician, and then remain for a short time afterwards until it is safe to leave the patient with a member of the fain ily. The fee charged for attendance at such operations is five dollars.

The need for hourly nursing in Norwich has long been apparent, but with the small number of nurses on the Unitd Workers' staff it has beretofore been assurance of regularity; it could be given only when the pressure of the ordi-nary work slackened temporarily. Under a new system of thorough generalisation of the staff work, to each nurse is assigned a definite section of the town-signed a definite section of the town-ship of Norwich within whose limits she is responsible for nursing visits, for the fellow-up work of the tuberculosis clinic and the baby clinic, and for hourly nurseline. When the section of George Loane Tucker's The Miracle Man, he scored a huge personal success. Coeff B. DeMille's Male and

department, calls are made only under the direction of a physician, and except in case of urgent necessity only within the house of 9. a. m and 5 p. m. Office hours, No. 5 Washington street, \$.39 to 5.30, phone 379. Except in case of great emergency, calls which come in during the late afternoon cannot receive attention until the following morning.

UNITED CHURCH FORUM ON THE NEW OLD-TESTAMENT

The discussions in the forum of the United Congregational church, beginning January 16, will deal with the topic: The New Old-Testament — considering The Historical Background of the Old Testament, The Religious Genius of Inrael and The Story of Israel in Outline. The leader will be Rev. Dr. Joseph H.

Selden.

The subject will be treated under two general historical periods. 1. Egypt: 2. Mesopetamia. Under the Egyptian period will be the following four divisions: Early Times. The Old Kingdom, 3460-2160 B. C.; The Middle Kingdom, 3160-2150 B. C.; The Empire, 2580-245 B. C. The Mesopetamian period will include. The Mesopotamian period will include:

1. Rise of Babylonia and 2. Rise of Assyria, bringing the history of the Jowa down to the final overthrow in 585 B. C., the destruction of Jerusalem and the exprying of the people into captivity.

Madison Square Garden Poultry Show.

This year the Madison Square Garden Poultry Show, Inc., to be held at Madison Square Garden from January 15th to 22nd will be an eight section exhibition, and the largest ever held in the world. There will be department for poultry, water fowl, pigeons, rabbits, cavies, and mileh goats, besides an educational annex in vcharge of Harry M. Lamon, chief poultryman of the department of agriculture at Washington.

For the first time there will be a salest department in which standard bred mility fowl may be purchased as cheaply as on the farms. This will be a boom to persons who keep small flocks of positry. Show birds, as every one knows, have a minimum value of \$50 to \$160, but standard bred utility fowl about equally as well bred can be bought for very much less. All the stock not disposed of on Saturdary in the nales department will be sold off at nuction. Madison Square Garden Poultry Show.
